

NO TO THE REDUCTION OF VALLE GRAN REY'S BARRANCO ❌ !!!!

YES TO 55m WIDTH!

NO TO 15m!

BECAUSE THE PRESENT **55m** WIDTH WILL BE REDUCED TO **15m**, WITH A DEPTH OF ONLY **2.45m**

BECAUSE THE PRESENT 25sq.km BARRANCO MOUTH WILL BE BOXED IN TO A 0.03 sq.km AREA

BECAUSE WHEN THE WATER FLOWS, THIS REDUCTION WILL PRESENT A REAL **FLOOD DANGER FOR POPULATION AND BUILDINGS** IN THE LOWER VALLEY

BECAUSE WE DON'T WANT TO LIVE THROUGH ANOTHER DEVASTATING FLOOD LIKE THE 1941 DISASTER, NOR SUFFER THE SAME CONSEQUENCES AS OTHER BARRANCO REDUCTIONS IN TENERIFE AND MADEIRA: **DEATH AND MILLIONS OF EUROS DAMAGES**

BECAUSE **WE DON'T HAVE RESERVOIRS** TO HELP CONTROL THE WATER FLOW

BECAUSE CEMENTING THE RIVER BED WILL **REDUCE BOTH BEACH SAND AND WELL WATER**

BECAUSE THERE IS NO CERTAINTY THE MONEY SPENT WILL BENEFIT THE TOWN: THE PROJECT DOES NOT NECESSARILY REQUIRE LOCAL LABOUR. THE 8 MILLION EUROS WILL BE POCKETED BY BIG COMPANIES

BECAUSE VALLE GRAN REY'S ECONOMY IS BASED ON TOURISM, WHICH WILL NOT WITHSTAND 2 YEARS OF DISRUPTIVE WORKS INVOLVING REMOVAL OF OVER **150.000 TONS OF EARTH, OVER 1.000 TRUCKLOADS OF RUBBLE AND CEMENT AND 60.000 HOURS OF NOISE AND NUISANCE** FOR EVERYONE

BECAUSE NO PARTICIPATION HAS BEEN SOUGHT FROM THE LOCAL POPULATION. NOBODY HAS BEEN CONSULTED. WE BELIEVE THE WORKS, AS PROPOSED, TO BE UNNECESSARY

** Barranco= ravine, gorge, cleft, precipice. The river bed that travels the length of Valle Gran Rey, nowadays, sadly, largely dry in summer. Can covert to a raging torrent after heavy rain.*

YES TO VALLE GRAN REY'S BARRANCO!!

 YES TO INSTALLING SAFE DEFENCE BULWARKS MARKING THE PRESENT WATER COURSE

 YES TO THE RECOVERY AND RESTORATION OF THE RIVER BED'S PERMEABLE LAYER

 YES TO CLEANING AND ENHANCING THE RIVER BED

 YES TO THE REGENERATION OF THE ENTIRE LENGTH OF THE RIVER BED, FROM GUADÁ DOWN TO THE SEA

 YES TO THE CLEARANCE OF CANE AND RUBBISH, AND TO THE PREVENTION OF FIRES

 YES TO THE CREATION OF REGULAR EMPLOYMENT

 YES TO THE RECOVERY OF VALLE GRAN REY'S BARRANCO AS AN ATTRACTION FOR LOCALS AND TOURISTS

 YES TO THE PROTECTION OF OUR ENVIRONMENT AND OUR SOURCE OF INCOME: TOURISM. DO OUR VISITORS REALLY WANT TO SEE MORE CEMENT, ASPHALT AND LAWNS?

 IF HISTORICALLY, EVEN IN TIMES OF GREAT NEED, THE RIVER BED HAS BEEN RESPECTED, WHY NOT NOW?
